Remembering. . .

Have you ever paused for a moment to think of the things you will miss and will want to remember when you leave Spencer High? You'll probably remember first your varied social and extra-curricular activities, and last your all-important curricular work. All three go together to help you develop a well rounded personality. After these thoughts have passed, others will linger . . .

We hope that this endeavor will bring you something that will indelibly stamp upon your mind cherished memories that might fade with time, were there no reminder. We have further attempted to register, pictorially, some of the highlights of your search for knowledge, so that you may, in remembering, hear the clang of the familiar bell . . . the thunder of a thousand feet beating on smoothly worn steps . . . gleeful goodbyes and the click of the lockers ending another day. You remember the silence of empty halls, and the echo warms your heart . . . "Oh, 'tis the Spencer School we all adore!" In the following pages, school life becomes a program revolving around you, and enriching your life.

Dedication

For each of us, there have been those thought-provoking lessons that trained us to reason . . . We looked forward, of course, to good times, but we realize that it was the curricular work which gave us the opportunity to enrich our minds, and to prepare ourselves for a constructive life.

Now, with a longing to remember forever the hopes, anxieties, meditations, and respect for our leaders, we proudly and affectionately dedicate this 1958 edition of THE RAILROADER to the cherished memories of Spencer High School.

STUDENT COUNCIL

The Student Council is the student component of the school's administrative body. The purposes which were so exactly carried out are: to promote and encourage good citizenship, to promote strong character and self-reliance among the students, to obtain better cooperation between students, to foster better understanding of the common problems of students and faculty, and to right actions and attitudes from a high sense of honor.

A standing committee project of the Student Council each year is the maintenance of the Traffic Court with student monitors acting as patrolmen. Other projects this year were the White Christmas observance, the Homecoming activities, the popular Football Frolics, and Senior Day.

Monitors

LEFT TO RIGHT: Gayle Lester, Dorothy Ketchie, Jeannette Roderick, Mary Ann Farrington, Robin Barker, Buddy Hoskins, Leonard Loflin, Randall Inge, Jerry Jacobs, Leroy Wilson, Blair Stratford.

Chartered in 1957, the Future Teachers of America Club tries to promote interest and enthusiasm in the teaching profession, and programs are planned with this in mind. Members of our club also substitute for teachers when called upon to do so. The club began its past year of work by accepting eight new members. With this added strength, the club offered valuable contributions to the betterment of our school.

OFFICERS

Vickie Harrington, Vice-President; Barbara Camp, President; Miss Ingold, Advisor; Betty Wilson, Secretary; Faye Brandt, Treasurer.

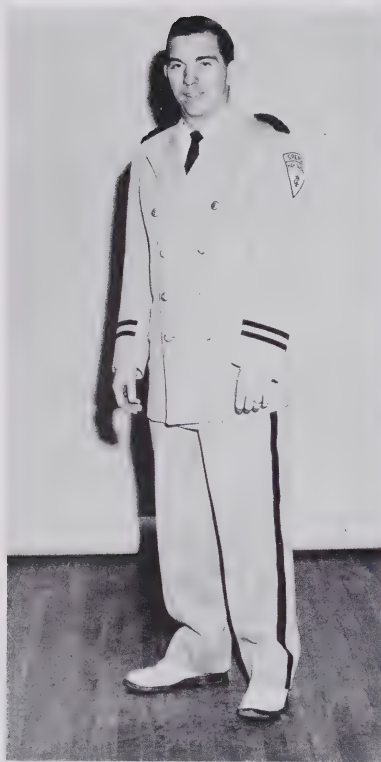

Dramatics Club

SEATED: Mary Roderick, Norma Thompson, Sue Wilson, Toni Wyatt, Wayne Smith, Windsor Eagle, Blair Stratford, Jo Ann Kester, Cynthia Rushing, Linda Young, Billie Sharpe, Carolyn Moore. STANDING: Mary Farrington, Bobo Withers, Barbara Camp, Vickie Harrington, Faye Brandt, Betty Wilson, Tubby Barnes, Ronnie Miller, Miss Ingold, Jerry Snider, Wayne Franklin, Linda Poteat, Patt Horton, Sue Adams.

This year the Dramatics Club chose their new members early and immediately set to work. First on their agenda was the White Christmas program which proved to be inspirational to all participants and viewers.

The members, after ordering books, having part try-outs, practicing, and experiencing great anticipations, experienced the fulfillment of their hard work. The enthusiastic applause at the close of the curtain after the presentation of "Drums of Death" was reward enough.

Throughout the year, the band gave several concerts. At the annual Christmas concert the generous audience enjoyed not only the wonderful music of the band members, but also the exceptional voices of the Salisbury Boys' Choir. The band also participated in a number of the assembly programs, delighting the student body with its display of talent.

LEFT TO RIGHT: Jeannette Roderick, President; Betty Harkey, Secretary; Judy McCall, Treasurer; Cynthia Rushing, Vice-President; Joan Whisnant, Editor.

Headlines and deadlines - it was all one vicious circle! The members of the Hi-Life Staff, however, didn't mind a few headaches before deadlines; for when each issue was finally printed, there was a rewarding satisfaction in looking over the completed school paper edited by the nineteen members of the Quill Club.

Through its numerous activities the Monogram Club has fulfilled its aim to promote good sportsmanship and fair play.

During the football, basketball, and baseball seasons the teams scored touchdowns, goals, and home-runs in a style that made the entire S. H. S. student body take notice. The Monogram Club, this year, as in past years, seemed to automatically give an extra "boost" in school spirit, sportsmanship, and fair play, to each team as it gave its "brilliant" performance.

JUNIOR CLASS

Under the guidance of Mrs. Elizabeth Kelly and Miss Clarine Ingold the Class of '59 put their "best foot forward" and can be justly proud of both their efforts and their accomplishments.

The juniors began their year with an exceptional amount of school spirit and interest. Their first enterprise as a class was the "Magazine Campaign," during which they sold magazine subscriptions in order to raise their financial status to enable them to sponsor the biggest and best Junior-Senior prom ever.

With this same spirit and interest they tackled other equally challenging tasks, thus making their way into the limelight of SHS.

SOPHOMORE CLASS

By accepting the advice of their capable supervisors, Miss Marie Barrier and Mr. Fred Holt, the sophomores have had a memorable year.

Having overcome the "greenness" of their freshman year, the sophomores evidenced much interest in school activities and have had a fine representation in almost all our school organizations as well as in athletics.

FRESHMAN CLASS

Some of our rising "stars and starlets" were seen this year in the freshman class. Eager to become a recognized part of SHS, the freshmen actively entered into the spirit of high-school life.

We are sure to hear and see more of the talents and abilities of the Class of '61 in the years to come.

Basketball

The 1958 boys' basketball team was marked by its ability to play well together. Functioning as a well-rounded unit, the boys played an exceptionally good brand of ball; and, consequently, they provided the Railroader fans with many a thrilling game.

GIRLS' BASKETBALL

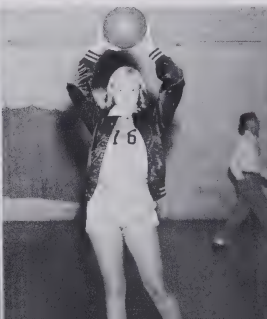

Although there was much hard practice and many enthusiastic "pep" talks, our team's high spirits were not greatly rewarded.

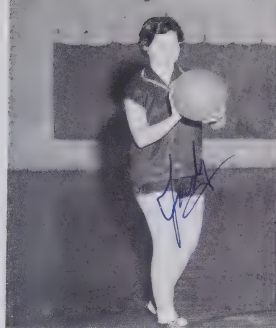

Under the leadership of their coach, Mrs. Carole Hinson; their captain, Nancy Gentry; and their co-captains, Elizabeth Withers and Diane Nichols; the team was unable to reach to top of the ratings. Yet in every way they showed fine sportsmanship, and the school took notice and was proud to call them its team.

JAY-VEE GIRL'S BASKETBALL

Spending the year in preparation and training, the members of the Jay-Vee team are looking forward to becoming full-fledged varsity members.

The Jay-Vee team played practice games with the varsity team and met Mooresville twice in order to test their skill and precision against a real opposing six. Because of their year of rigorous training, we are expecting them to carry our school to victory in the near future.

BASEBALL

Last year's baseball team won the only trophy brought home to SHS in '57 by an athletic team - - the North Piedmont Champions Trophy.

This year's team anticipates another winning season and has high hopes of again making SHS a trophy winner.

"The explaining and understanding of the Government and its branches were made interesting and enjoyable, with the added spice of fellowship of delegates from the other schools of the state." This is the way the Girls' and Boys' State delegates summed up their week as guests of the American Legion and the Auxiliary on the campuses of Woman's College in Greensboro, and of the University of North Carolina at Chapel Hill.

Lectures, lectures, and more lectures was the theme for the 1957 program. However, the explanations of the history and the functions of our government proved to be unbelievably interesting because of the attractive way in which they were presented by governmental officials.

Especially enlightening were the party divisions of the delegates and the election procedures. The study of parliamentary procedures was climaxed by the presentation of bills in an official meeting of the youthful legislature at the state capitol in Raleigh; and the appearance and personal address of Governor Luther Hodges. All in all the week of Girls' State and Boys' State was memorable and rewarding to the delegates.

Student Council President

Heading the Student Council this year was a person who had no trouble proving herself honest, dependable, and brimming with initiative. She is well-liked by her fellow students as is shown by her participation in the numerous extra-curricular activities at SHS.

Her most outstanding accomplishments and honors have been the election to the office of secretary and vice-president of the Student Council in her sophomore and junior years, respectively, and being chosen "Best All Around" in her senior year.

To our petite, energetic, dark-haired, and dark-eyed president - - Mary Mauldin - - we say, "Congratulations for a job well done!"

D. A. R. Good Citizen

Dependability, service, leadership, and patriotism governed the choice of Joncye Burton as the D. A. R. Good Citizen for 1958. Joncye's fellow students agree that she is a truly deserving person and a student of whom SHS can be proud. Her many abilities have been noted time and time again through her numerous extra-curricular activities. Joncye was editor of the 1958 RAILROADER.

Once again the D. A. R. trophy will have another name added to its list of Good Citizens, and Joncye Burton is most worthy of this honor.

What'sa matter, Carole??

THANKS TO THE P. T. A.

In appreciation to the Parent Teachers Association of Spencer School we should like to express our sincere thanks for the many services that the Parent Teacher Association has rendered our school through the years. The water-coolers, football uniforms, and aid given to the band to help purchase music and instruments, plus the numerous personal services have not gone unnoticed or unappreciated.

Especially do we appreciate the financial help given the high school annual. This help has made possible the preserving of so many wonderful memories for graduating seniors.

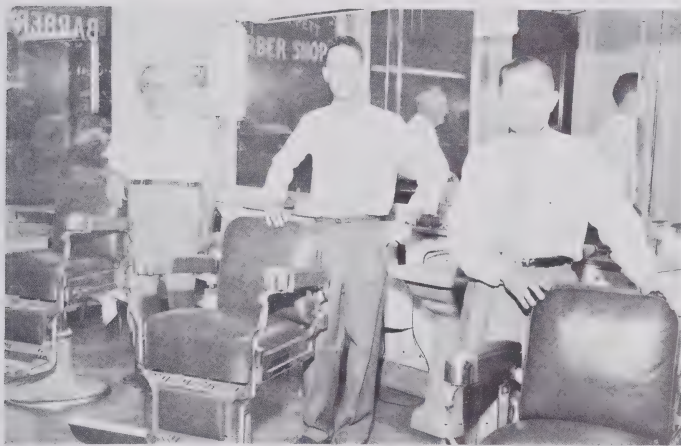

For all these services -- both tangible and intangible -- we are deeply grateful!
